CONDIZIONI GENERALI DI VENDITA

- **PREZZI**: I prezzi sono in Euro e non comprendono eventuali montaggi o installazioni presso l'acquirente. Il costo netto di un eventuale imballo in cassa di legno sarà pari al 5% del prezzo di listino del prodotto valutato in categoria PF.
- **ORDINI**: La *i 4 Mariani S.p.A.* si riserva di accettare l'ordine; l'ordine verrà accettato solo dopo l'emissione della relativa conferma d'ordine nella quale saranno contenute tutte le condizioni di vendita.
- **TERMINI DI CONSEGNA**: La data di consegna indicata sulla conferma d'ordine, si intende indicativa e nessun risarcimento potrà essere richiesto per eventuali ritardi.
- **TRASPORTI**: *i 4 Mariani S.p.A.* si libera dall'obbligo della consegna rimettendo le merci allo spedizioniere. I prodotti viaggiano ad esclusivo rischio e pericolo dell' acquirente, anche se il trasporto è organizzato da *i 4 Mariani S.p.A.*
  Il trasporto è effettuato a spese di *i 4 Mariani S.p.A.* nei seguenti Paesi: Italia, Svizzera, Francia, Austria, Germania, Spagna (isole escluse), Portogallo, Benelux, Gran Bretagna, Irlanda, Danimarca, Norvegia, Svezia e Finlandia. Per tutti gli altri Paesi il trasporto è escluso e quindi il prezzo è da intendersi franco fabbrica (Italia); di conseguenza il costo di trasporto è a carico dell'acquirente.
  Nel caso in cui l'ordine abbia un importo netto inferiore a 1.000,00 (mille) Euro, *i 4 Mariani S.p.A.* addebiterà in fattura un costo di trasporto pari ad 100,00 (cento) Euro.
- **RECLAMI**: La merce viene controllata accuratamente prima della spedizione. Eventuali danni vanno riscontrati al momento della consegna, annotati sulla bolla di accompagnamento merci controfirmati dall'autista ed in seguito comunicati nel più breve tempo possibile e in ogni caso non superiore ad otto giorni, alla nostra sede di Mariano Comense.
- **FUORI SERIE**: Per tutti i pezzi fuori serie o su misura, dopo relativa approvazione da parte della nostra organizzazione commerciale, i prezzi subiranno un aumento quantificabile di volta in volta.
- **RIVENDITORI**: In caso di rivendita dei prodotti, è compito dell'acquirente informare i propri clienti in merito alle caratteristiche delle materie prime utilizzate da *i 4 Mariani S.p.A.* ed alle istruzioni d'uso e garanzia. L'acquirente stesso sarà l'unico responsabile nel caso di inosservanza di tali condizioni di utilizzo e manutenzione da parte dei suoi clienti.
- **BRITISH STANDARDS**: I prodotti imbottiti possono essere realizzati secondo le norme BS British Standard con un incremento di prezzo pari al 10% nel caso di rivestimento in tessuto e del 6% in caso di rivestimento in pelle.
- **VALIDITA'**: Il presente listino annulla e sostituisce i precedenti. Misure e metraggi del presente listino sono indicativi. La *i 4 Mariani S.p.A.* si riserva di apportare modifiche tecniche, dimensionali o strutturali ai suoi prodotti in qualsiasi momento e senza nessun obbligo di preavviso.
  Le tolleranze dimensionali dei prodotti imbottiti sono del ± 2%.
- **FORO COMPETENTE**: Per qualsiasi controversia Foro competente sarà quello di Como.

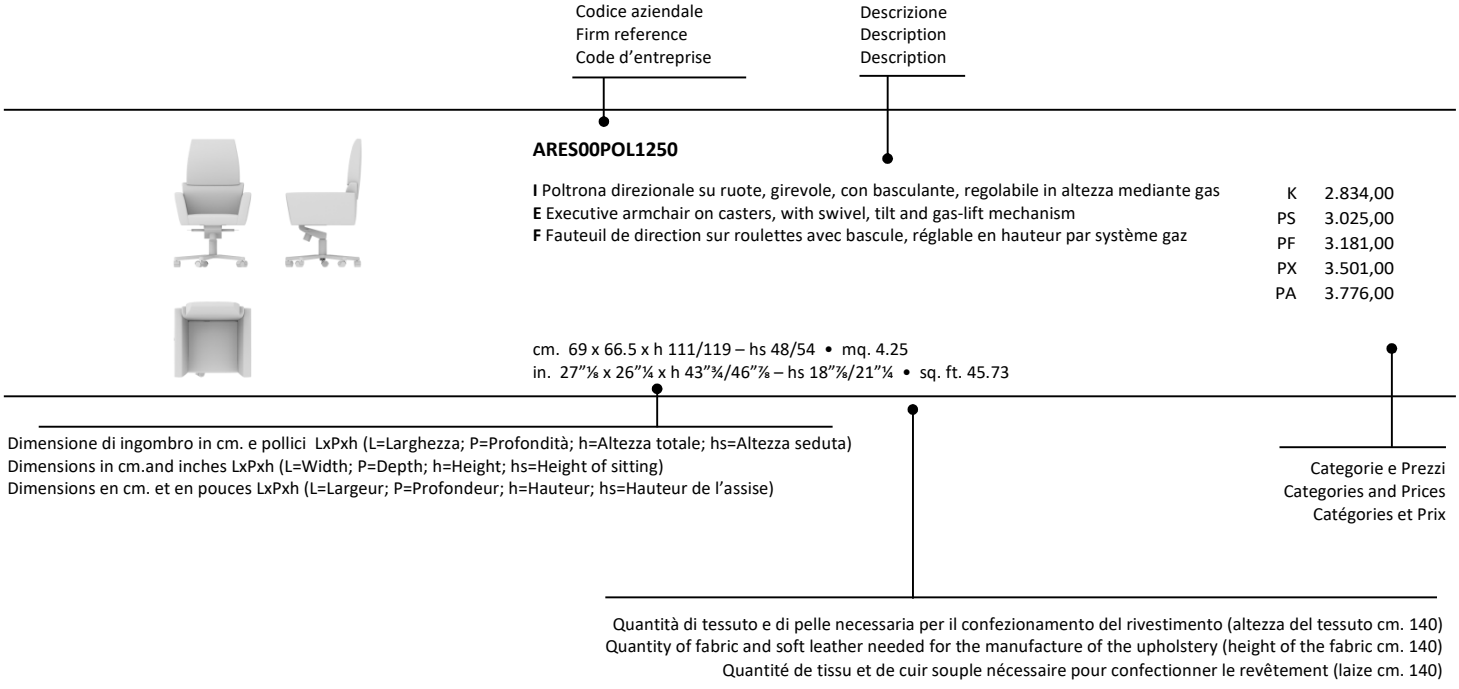

GENERAL SALE CONDITIONS

- **PRICES**: The prices are in Euro and don't include any assembly or installation by the buyer. The net price of packing in wooden crate – if required - will be the 5% on the price list of the item evaluated on cathegory PF.
- **ORDERS**: *i 4 Mariani S.p.A.* reserves to accept the order; the order will be accepted only after issue of the confirmation of order, where you will find all sales conditions.
- **DELIVERY TERMS**: The date of the delivery shown on the order confirmation is approssimative and no compensation could be required in case of possible delays.
- **TRANSPORTS**: *i 4 Mariani S.p.A.* is freed from the obligation of delivery of the goods consigning them to the carrier. Products will travel exclusively at the Purchaser's risk, even if the transport is organized by *i 4 Mariani S.p.A.*
  The transport is carried out at *i 4 Mariani S.p.A.* expenses in the following Countries: Italy, Switzerland, France, Austria, Germany, Spain (except Islands), Portugal, Benelux, Great Britain, Ireland, Denmark, Norway, Sweden and Finland. For all other countries, transport is excluded and therefore the price is ex works (Italy); therefore the shipping cost is paid by the buyer.
  In case the order has a net worth less than 1,000.00 (one thousand) Euros, *i 4 Mariani S.p.A.* will charge on the invoice a transport cost equal to 100.00 (one hundred) Euro.
- **COMPLAINTS**: The goods is carefully checked before shipment. Possible damages must be compared during delivery, noted on the bill of lading countersigned by the driver and then you have to inform our factory in Mariano Comense as soon as possible and not later than 8 days.
- **CUSTOM BUILT**: For all the special pieces out of standard production or on special size, after approval from our commercial organization, the prices will have an increase estimated time by time.
- **RETAILERS**: In case of resale of the products, it is buyer's responsibility to inform their customers about the characteristics of the raw materials used by *i 4 Mariani S.p.A.* and of the guarantee instructions. The buyer himself will be solely responsible in the event of breach of those conditions of use and maintenance by its customers.
- **BRITISH STANDARDS**: The upholstered items can be manufactured according to British Standard BS with a price increase of 10% in case of fabric upholstery and 6% in case of leather upholstery.
- **VALIDITY**: The existing price list cancels and replaces the previous one. Sizes and lenghts of the following price list are indicative. *i 4 Mariani S.p.A.* reserves to bring technical, dimensional or structural modifications to the products in any moment and without any obligation of notice.
  The dimensional tolerances of upholstered items are of ± 2%.
- **COMPETENT COURT**: For any disagreement competent court will be the one in Como (Italy).

CONDITIONS GÉNÉRALES DE VENTE

- **PRIX**: Les prix sont au public et en Euro et ils ne comprendent pas le montage ou l'installation éventuelle chez l'acheteur. Le coût net d'emballage avec caisse de bois est 5% du prix brut de list de l'article en categorie PF.

CARATTERISTICHE E AVVERTENZE

TESSUTI: E' possibile che i tessuti nelle varie categorie possano presentare delle leggere variazioni di tonalità di colore da una partita all'altra. Tali differenze di tonalità rientrano nelle tolleranze e quindi non imputabili alla *i 4 Mariani S.p.A.*; di conseguenza non potranno dar luogo a richieste di sostituzioni o danni. E' vostro diritto comunque richiedere dei campioni dallo stock.
Nel caso in cui venga effettuato un ordine con tessuti appartenenti a diverse categorie, il prezzo da applicare è quello della categoria più alta.
I tessuti di proprietà del cliente – categoria COM – che dovranno essere utilizzati per confezionare il rivestimento di uno dei nostri modelli, devono essere consegnati in porto franco, altrimenti verranno rispediti al mittente. Su questi tessuti dovrà inoltre essere riportata chiaramente l'indicazione circa **il diritto ed il rovescio e l'alto ed il basso** del tessuto stesso onde evitare spiacevoli errori nel confezionamento.

PELLI E CUOIO: E' possibile che le pelli ed il cuoio nelle diverse varie categorie possano presentare delle leggere variazioni di tonalità di colore da una partita all'altra. Tali differenze di tonalità rientrano nelle tolleranze e quindi non imputabili alla *i 4 Mariani S.p.A.*; di conseguenza non potranno dar luogo a richieste di sostituzioni o danni. E' vostro diritto comunque richiedere dei campioni dallo stock.
Le concerie incaricate dalla *i 4 Mariani S.p.A.* selezionano solo ed esclusivamente il miglior pellame bovino da tutta Europa che è sottoposto ad opportuni trattamenti di concia (al cromo per la pelle e mista al cromo-vegetale per il cuoio) e di tinta, passante su tutto lo spessore, secondo i colori atossici della nostra collezione. Tutte le pelli ed il cuoio della collezione non contengono PentaCloroFenolo.

ATTENZIONE

Particolare attenzione deve essere fatta per le pelli appartenenti alle seguenti categorie:
CV – Cuoio Vegetale
PA – Pelle Atelier
PX – Pelle Extra
Le diverse tipologie di pelli appartenenti a queste categorie pregiate di pellame subiscono dei trattamenti tutti a base di anilina. Questi trattamenti conferiscono ad ogni singola pelle delle finiture superficiali e delle tonalità di colore molto variabili; è quindi possibile che vi siano delle differenze sensibili di finitura e colore anche in punti diversi dello stesso prodotto finito. Per queste ragioni non sara' mai accettato per nessun motivo alcun reclamo relativo alla variabilità della finitura superficiale e della colorazione. Proprio perchè prive di qualsiasi trattamento protettivo della superficie, queste pelli sono veramente molto delicate e necessitano di grandie cure ed attenzione:
- **nel caso di macchie da liquidi occorre asciugare immediatamente prima che il prodotto penetri all'interno lasciando macchie indelebili;**
- **evitare la luce diretta del sole, pena lo sbiadire del colore;**
- **evitare l'esposizione diretta a fonti di calore.**

ESSENZE: Nella realizzazione di alcuni prodotti vengono utilizzate impiallacciature (lastra spessore mm.0,8) e bordi impiallacciati (spessore mm. 1÷2) delle seguenti essenze legnose:
- **Ebano Macassar** *(Diospyros celebica)*: peso specifico 1.100 kg/mc.
- **Eucalipto** *(Eucaliptus rostrata)*: peso specifico 820÷850 kg/mc
- **Frassino** *(Fraxinus excelsior)*: peso specifico 710 kg/mc. *Disponibile con finitura tinto grafite.*
- **Noce** (*Juglans Regia*): peso specifico 600 kg/mc. *Disponibile con finitura biondo rigato.*
- **Noce canaletto** (*Juglans nigra*): peso specifico 650÷700 kg/mc. *Disponibile con finitura fiammato, fiammato tinto grigio e rigato*.
- **Tipo Ebano** *(Essenza di Ayous - Triplochiton scleroxylon)*: peso specifico 420 kg/mc.
- **Tipo Palissandro** *(Essenza di Ayous - Triplochiton scleroxylon)*: peso specifico 420 kg/mc.
- **Tipo Rovere** *(Essenza di Ayous - Triplochiton scleroxylon)*: peso specifico 420 kg/mc. *Disponibile con finitura naturale, moro o titanio.*

La lucidatura standard è di tipo opaco (5÷20 gloss) ed è realizzata con vernici poliuretaniche secondo le norme vigenti.
Tutti i prodotti posso essere realizzati anche con lucidatura con finitura lucida spazzolata hi-gloss (100 gloss). **In tal caso il supplemento di prezzo è pari al + 20%.**

GENERAL WARNINGS

FABRICS: It is possible that the fabrics in the various categories can have some light differences of the coluor tone from one dye to another. These differences of colour tone come back in the tolereances and therefore not imputable to *i 4 Mariani S.p.A.* consequently it is not possible to ask for replacements or damages. It is your right to ask for samples from stock. In case that an order is placed with fabrics belonging to different categories, it must be applied the price of the highest category.
The customer own fabrics – our category COM – wich should be used for the covering of one of our model, must be delivered free port, otherwise they will be sent back to the sender. On these fabrics should be also noted clearly the indication about **the right and the back, the wide and the narrow** of the fabric in order to avoid unpleasant setbacks and inconveniences in the manufacturing.

LEATHERS AND SADDLE LEATHER: It is possible that the leathers in the various categories can have some light differences of the colour tone from one dye to another. These differences of colour tone come back in the tolerances and therefore not imputable to *i 4 Mariani S.p.A.* consequently it is not possible to ask for replacements or damages. It is your right to ask for samples from stock.
The tanneries instructed by *i 4 Mariani S.p.A.* choose only exclusively the best cowhide from all Europe that is submitted to suitable treatments of chrome tanning and colour on all the thickness of the leather. The leather is dyed with non-toxic colours. All the leathers in the collection are free from pentachloraphenol.

SADDLE LEATHERS

CV – Cuoio Vegetale: Cow full grain saddle leather vegetable tanned with thickness 3,2÷3,4 mm. Finishing with aniline.
CF – Cuoio Pieno Fiore: Cow full grain saddle leather thickness 3,0÷3,2 mm.
CS – Cuoietto: Cow saddle leather thickness 2,4÷2,5 mm.

LEATHERS

PA – Pelle Atelier: Cow full grain leather with different thickness from 1,0 to 1,5 mm. All the different leathers of this cathegory are submitted to very special and precious processes with aniline.
PX – Pelle Extra: Cow full grain leather with different thickness from 1,3 to 2,2 mm. All the different leathers of this cathegory are submitted to very special and precious processes with aniline.
PF – Pelle Fiore: Cow full grain leather thickness 1,2÷1,4 mm.
PS – Pelle Mezzo Fiore: Cow half grain leather with thickness of 0,9÷1,1 mm.

ATTENTION

Particular attention must be paid to leathers belonging to the following categories:
CV – Cuoio Vegetale
PA – Pelle Atelier
PX – Pelle Extra
These treatments give to every single skin some superficial effects and colour tonalities that are different from skin to skin; therefore there could be different superficial effects and colour tonalities also on the same finished product. For this reason we will never accept any claim relative to the variability of the superficial effects or colours.
Because these leathers are not treated with any superficial covering agents, they are very delicate and need great care and attention:

- **in the event of liquid spills, they need to be dried immediately before the liquid infiltrates the material and leave indelible stains;**
- **avoid placing leather in direct sunlight, in order to avoid colour fading;**
- **keep away the leather from direct heat sources.**

KIND OF WOOD: For the production of some executive models we use veneers (slab thick mm.0,8) and edges (thickness mm. 1÷2) of the following kinds of wood:

- **Macassar Ebony wood** *(Diospyros celebica)*: specific weight 1.100 kg/mc.
- **Eucalyptus** *(Eucaliptus rostrata)*: specific weight 820÷850 kg/mc.
- **Ash wood** *(Fraxinus excelsior)*: specific weight 710 kg/mc. *Available with graphite stained finish*.
- **Walnut wood** (*Juglans Regia*): specific weight 600 kg/mc. *Available with striped blonde finish.*
- **Black walnut wood** (*Juglans nigra*): specific weight 650÷700 kg/mc. *Available with veined, veined grey stained or striped finish*.
- **Ebony type** *(Ayous wood - Triplochiton scleroxylon)*: specific weight 420 kg/mc.
- **Rosewood type** *(Ayous wood - Triplochiton scleroxylon)*: specific weight 420 kg/mc.
- **Oak type** *(Ayous wood - Triplochiton scleroxylon)*: specific weight 420 kg/mc. *Available with natural, dark brown or titanium finish.*

The standard polishing is matt (5÷20 gloss) and is made with polyurethane coatings according to applicable regulations.
All products can also be made with polishing with a brushed glossy finish hi-gloss (100 gloss). **In this case, the price surcharge to apply is + 20%.**

CARACTÉRISTIQUES ET INSTRUCTIONS

TISSUS: Tous les tissus, dans les différentes catégories, peuvent présenter des légères différences de ton d'un stock à l'autre. Ces différences, qui rentrent dans les tolérances, ne sont pas imputables à la société *i 4 Mariani S.p.A.*, par conséquent elles ne pourront pas donner lieu à demandes pour remplacements ou indemnisations. Vous avez quand même le doit de demander des échantillons de tissu pris du stock.
Si l'article est à réaliser avec des tissus qui appartiennent à des catégories différentes, il faut appliquer le prix de la catégorie supérieure. Les tissus envoyés par le client – catégorie COM – qui devront être utilisés pour confectionner le revêtement d' un de nos articles, seront à nous livrer Franco, en cas contraire ils seront retournés à l'expéditeur. Sur ces tissus il faudra indiquer clairement **endroit et envers, haut et bas** du tissu pour éviter des erreurs au moment de la confection.

CUIRS: Tous les cuirs, dans les différentes catégories, peuvent présenter des légères différences de ton d'un stock à l'autre. Ces différences, qui rentrent dans les tolérances, ne sont pas imputables à la société *i 4 Mariani S.p.A.,* par conséquent elles ne pourront pas donner lieu à demandes pour remplacements ou indemnisations. Vous avez quand même le doit de demander des échantillons de cuir pris du stock.
Les tanneries chargées par la société *i 4 Mariani S.p.A.* ne sélectionnent que les meilleures peaux bovines de toute l'Europe qui sont soumises aux traitements opportuns de tannage (au chrome pour les cuirs catégorie PP, PF, TC et au chrome-végétal pour la catégorie C) et de teinture pénétrante dans toute l'épaisseur de la peau, selon les couleurs atoxiques de notre collection. Tous les cuirs de notre collection ne contiennent pas de pentachlorephénole.

CUIR ÉPAIS

CS – Cuoietto: Cuir épais, épaisseur 2,4 ÷ 2,5 mm.

CUIR SOUPLE

PA – Pelle Atelier: Cuir souple bovin pleine fleur avec épaisseur variable entre 1,0 et 1,5 mm. Les différents cuirs qui appartiennent à cette catégorie ont subi des traitements très précieux, tous à base d'aniline.
PX – Pelle Extra: Cuir souple bovin pleine fleur avec épaisseur variable entre 1,3 et 2,0 mm. Les différents cuirs qui appartiennent à cette catégorie ont subi des traitements très précieux, tous à base d'aniline.
PF – Pelle Fiore: Cuir souple bovin pleine fleur avec épaisseur 1,2÷1,4 mm.
PS – Pelle Mezzo Fiore: Cuir souple bovin demie fleuravec épaisseur cm. 0,9÷1,1 mm.

ATTENTION

Une attention particulière doit être portée aux cuirs appartenant aux catégories suivantes:
CV – Cuoio Vegetale
PA – Pelle Atelier
PX – Pelle Extra
Ces traitements donnent à chaque peau des finitions superficielles et des nuances de couleur très variables, qui peuvent être notées sur le même article ou produit aussi. Pour cette raison nous ne pourrons pas accepter aucune réclamation concernant la variabilité de la finition superficielle et de la coloration.
Etant donné qu'ils sont sans traitement protecteur sur la surface, ces cuirs sont vraiment très délicats et nécessitent d'un grand soin et d'attention:

- **En cas de taches de liquides il faut les essuyer immédiatement avant que le produit puisse pénétrer à l'intérieur et laisser des taches indélébiles.**
- **Eviter la lumière directe du soleil sous peine de les décolorer.**
- **Eviter l'exposition directe à des sources de chaleur.**

BOIS: Des placages (plaque de bois épaisseur mm. 0,8) et des bordures (épaisseur mm. 1÷2) sont utilisés pour quelques modèles de direction, selon le détail suivant:

- **Ébène Macassar** *(Diospyros celebica)*: poids spécifique 1.100 kg/mc.
- **Eucalyptus** *(Eucaliptus rostrata)*: poids spécifique 820÷850 kg/mc.
- **Frêne** *(Fraxinus excelsior)*: poids spécifique 710 kg/mc. *Disponible avec finition teintée graphite.*
- **Noyer** (*Juglans*): poids spécifique 600 kg/mc. *Disponible avec finition blond rayée.*
- **Noyer d'Amerique** (*Juglans nigra*): poids spécifique 650÷700 kg/mc. *Disponible avec finition flammée, flammée teinté gris et rayée*.
- **Bois comme èbéne** *(Bois de Ayous - Triplochiton scleroxylon)*: poids spécifique 420 kg/mc.
- **Bois comme palissandre** *(Bois de Ayous - Triplochiton scleroxylon)*: poids spécifique 420 kg/mc.
- **Bois comme rouvre** *(Bois de Ayous - Triplochiton scleroxylon)*: poids spécifique 420 kg/mc. *Disponible avec finition naturel, foncé ou titanium.*

La finition standard du cirage est mate (5÷20 gloss) et est réalisée avec vernis polyuréthane selon la réglementation en vigueur.
Tous les produits peuvent avoir une finition brillante brossée hi-gloss (100 gloss). **En ce cas il faudra compter un supplément de + 20%.**

Scrivanie e tavoli. I piani sono realizzati con pannelli di nobilitato (per la versione in cuoio o pelle) o di particelle di legno (per la versione impiallacciata). Le gambe sono in poliuretano rigido realizzate in stampo e rivestite in cuoio o pelle e appoggiano su una piastra di acciaio verniciata in colore nero.
Cassettiere e mobili. Strutture in nobilitato nero con fianchi sempre rivestiti in cuoio o in pelle. Frontali di ante e cassetti disponibili rivestiti in cuoio o in pelle o impiallacciati nelle essenze disponibili di serie. Cassetti in multistrato laccati neri. Maniglie in massello di noce canaletto oppure laccate in tinta con colore del cuoio o della pelle.
Cuoio e pelle. Le cuciture sono disponibili solamente nella versione in cuoio; nella versione in pelle non sono disponibili. In base alla categoria di cuoio scelta, la misura dei diversi "tagli" dello stesso puo variare in maniera sensibile.
Essenze disponibili di serie: noce canaletto rigato, tipo ebano. Altre finiture disponibili solo su richiesta.

Desks and tables. The tops are made with black melamine coated panels (for the saddle leather and leather version) or particleboard panels (for the veneered version). The legs are in rigid poliuretane cold formed in mould and covered in saddle leather or leather, laying on a black painted metal sheet.
Drawers and cabinets. Frames in black melamine coated panels with sides always covered in saddle leather or leather. Fronts available covered in saddle leather or leather or veneered in the standard woods available. Drawer's frame in black lacquered plywood. Handles in solid black walnut wood or lacquered in the same colour of the saddle leather or leather.
Saddle leather and leather. The stitchings are available only in the saddle leather version; in the soft leather version they are not available. Depending on the category of saddle leather chosen, the size of its different "cuts" can vary significantly.

Tavoli. I piani sono realizzati con pannelli tamburati realizzati con bordi e traversi in massello di faggio, cartone a nido d'ape e pannelli di MDF (per la versione impiallacciata) o di nobilitato rivestito in cuoio (non in pelle). I bordi arrotondati sono sempre rivestiti in cuoio (non in pelle).
Gambe. Le gambe sono dei pannelli tamburati realizzati con bordi e traversi in massello di faggio, cartone a nido d'ape e pannelli di MDF (per la versione impiallacciata) o di nobilitato nero (per la versione in cuoio). I bordi arrotondati sono sempre rivestiti in cuoio (non in pelle), mentre i pannelli possono essere in nobilitato nero o impiallacciati in essenza.
Cuoio. In base alla categoria di cuoio scelta, la misura dei diversi "tagli" dello stesso può variare in maniera sensibile.
Essenze disponibili di serie: noce canaletto rigato. Altre finiture disponibili solo su richiesta.

Tables. The tops are made with honeycomb panels made with edges and crosspieces in solid beechwood, honeycomb cardboard and MDF panels (for the veneered version) or black melamine coated panel covered in saddle leather (not in leather). The rounded edges are always covered in saddle leather (not leather).
Legs. They are made with honeycomb panels made with edges and crosspieces in solid beechwood, honeycomb cardboard and MDF panels (for the veneered version) or black melamine coated panel (for the saddle leather version). The rounded edges are always covered in saddle leather (not leather), while the panels can be in black melamine or veneered.
Saddle leather. Depending on the category of saddle leather chosen, the size of its different "cuts" can vary significantly.
Standard wood veneers available: striped black walnut. Other finishes available only on request.

DE SYMETRIA - Design Luca Scacchetti

Scrivanie e tavoli. I piani sono disponibili in tre finiture:
- realizzati con pannelli di nobilitato e rivestiti in cuoio o pelle;
- realizzati con pannelli di particelle di legno e impiallacciati;
- in cristallo extrachiaro con spessore 15 mm disponibile trasparente oppure verniciato in colore bianco, nero o RAL 1019.

Le gambe sono realizzate in pannello di nobilitato. Sono disponibili diverse versioni:
- con i bordi rivestiti in cuoio o pelle e parte centrale impiallacciata o in cristallo verniciato;
- completamente in cuoio o pelle;
- completamente impiallacciate.

Sulle gambe è fissato un elemento in acciaio cromato a forma di croce che serve da sostegno al piano al quale è fissato.
Cassettiera, allungo e mobili. Struttura realizzata sempre in pannello di nobilitato nero. Top e fianchi disponibili rivestiti completamente in cuoio o pelle, completamente impiallacciati oppure impiallacciati con bordi in cuoio o pelle. Frontali di ante e cassetti disponibili impiallacciati, rivestiti in cuoio o pelle oppure accoppiati a una lastra di vetro verniciato. Cassetti in multistrato laccati neri. Maniglie in alluminio lucido.
Cuoio e pelle. Le cuciture sono disponibili solamente nella versione in cuoio; nella versione in pelle non sono disponibili. In base alla categoria di cuoio scelta, la misura dei diversi "tagli" dello stesso può variare in maniera sensibile.
Essenze disponibili di serie: Eucalipto o Tipo Ebano. Altre finiture disponibili solo su richiesta.

Desks and tables. The tops are available in three finishes:
- made with melamine coated panels and covered in saddle leather or soft leather;
- made with particleboard panels and veneered;
- in extra-clear glass with a thickness of 15 mm, available transparent or painted in white, black or RAL 1019.

The legs are made of melamine coated panel. Several versions are available:
- with edges covered in saddle leather or soft leather and central part veneered or with painted glass;
- completely in saddle leather or soft leather;
- completely veneered.

On the legs there is a cross-shaped chromed steel element that acts as a support for the top to which it is fixed.
Pedestal, return cabinet and cabinets. Frame always made in black melamine coated panel. Top and sides available completely covered in saddle leather or soft leather, completely veneered or veneered with saddle leather or soft leather edges. Fronts of doors and drawers available veneered, covered in saddle leather or soft leather or coupled with a painted glass plate. Drawers in black lacquered plywood. Polished aluminum handles.
Saddle leather and leather. The stitchings are available only in the saddle leather version; in the soft leather version they are not available. Depending on the category of saddle leather chosen, the size of its different "cuts" can vary significantly.
Standard wood veneers available: Eucalyptus wood or Ebony type wood. Other finishes available only on request.

DE SYMETRIA - Design Luca Scacchetti

La boiserie del modello De Symetria è disponibile di serie in moduli standard con larghezza cm 100 e altezza cm. 120 oppure cm. 240. Per questi moduli sono disponibili di serie dei profili orizzontali in alluminio sia con funzione estetica che con funzione reggi mensole che possono essere posizionati ad una altezza da pavimento di cm. 60, 120 o 180. Per la boiserie cm. 240 h. è necessario utilizzare un profilo terminale inferiore, ed uno superiore in alluminio mentre per la boiserie cm. 120 h è necessario utilizzare un profilo terminale inferiore in alluminio ed uno superiore in massello sagomato e rivestito in cuoio o pelle.
Naturalmente la boiserie è disponibile anche in pannelli con altezza e larghezza non di serie adeguati alle dimensioni dell'ambiente del cliente. Tutte le richieste dei clienti devono essere accompagnate da disegni quotati. Sulla base dei disegni inviati dal cliente, sarà compito del nostro ufficio tecnico sviluppare un lay-out adeguato alle richieste del cliente stesso e un computo tecnico delle metrature di boiserie necessarie.

The De Symetria wall paneling is available with standard modules of width cm 100 and height cm 120 or cm 240. Horizontal profiles in aluminum – with ornamental purpose as well as function of shelf holder – are available and can be set at cm 60, 120 or 180 from floor. A terminal lower profile and a terminal upper profile in aluminum is necessary for the 240 cm height wall panelling while a terminal lower profile in aluminum and a terminal upper profile in shaped solid wood covered in saddle leather or leather is necessary for the 120 cm. height wall paneling. Obviously the wall paneling is also available with customized panels with non-standard height and width in accordance with the dimensions of client's walls; in this case the client should include drawings and the relative sizes of the walls. Based on these drawings, our technical department will develop the correct lay-out that will satisfy client's requests and a technical calculation of the linear and square meters required for the wall panelling.

La boiserie du modèle De Symetria est disponible dans une gamme de modules standard avec largeur de cm. 100 et avec une hauteur de cm. 120 ou de cm. 240. Pour ces modules il y a la possibilité d'avoir des profils horizontaux en aluminium qui ont une fonction soit esthétique que de support pour les tablettes. Ces profils peuvent être placés à une hauteur de cm. 60, 120 ou 180 du plancher. Pour les boiseries en hauteur cm. 240 il est obligatoire d'utiliser un profil terminal inférieur et supérieur en aluminium. Pour les boiseries en hauteur cm. 120 il est obligatoire d'utiliser un profil terminal inférieur en aluminium et un profil supérieur en bois massif recouvert de cuir souple ou de cuir épais.
Il est possible de réaliser les panneaux de la boiserie sur mesure en hauteur et en largeur afin de pouvoir les adapter aux dimensions demandées par les clients. Toutes les demandes envoyées par le clients sont à nous faire parvenir accompagnées par des dessins détaillés avec dimensions précises. Après réception des dessins et en considération de la demande du client, notre bureaux technique développera un étude avec le calcul des mètres de boiserie nécessaires.

Scrivanie e tavoli. I piani e le gambe sono realizzati con pannelli tamburati realizzati con bordi e traversi in massello di faggio, cartone a nido d'ape e pannelli di nobilitato nero. Il top può essere rivestito completamente in cuoio (non in pelle) oppure in cristallo retro verniciato nero con bordi in cuoio (non in pelle). Le gambe sono in nobilitato nero a vista con parti rivestite in cuoio.
Cassettiere e allungo. Strutture in nobilitato nero a vista. Frontali dei cassetti, top, schienale e piedini sono in nobilitato nero e sempre rivestiti in cuoio (non in pelle). Cassetti in multistrato laccati neri. Maniglie in acciaio con dettaglio di cuoio.
Mobili. Strutture in nobilitato nero a vista. Top e frontali di cassetti ed ante sono realizzati in nobilitato nero rivestiti in cuoio (non in pelle); le ante sono disponibili anche in cristallo fumé con cornice rivestita in cuoio. Cassetti in multistrato laccati neri. Maniglie in acciaio con dettaglio di cuoio.
Cuoio. In base alla categoria di cuoio scelta, la misura dei diversi "tagli" dello stesso può variare in maniera sensibile.

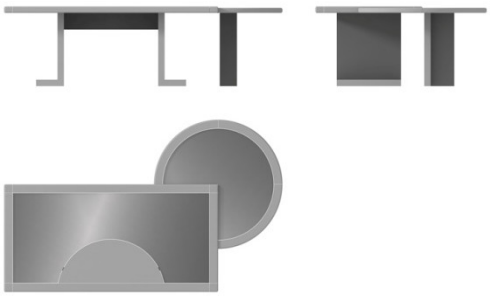

Desks and tables. The tops and the legs are made with honeycomb panels made with edges and crosspieces in solid beechwood, honeycomb cardboard and black melamine coated panel. The top can be covered completely in saddle leather (not soft leather), or in black back-painted glass with saddle leather edges (not in soft leather). The legs are in visible black melamine coated panel with some parts covered in saddle leather.
Pedestal and return cabinet. Frame in visible black melamine coated panels. Drawer fronts, top, back and feet are made in black melamine coated panels and covered in saddle leather (not soft leather). Drawer's frame in black lacquered plywood. Steel handles with saddle leather detail.
Cabinets. Frame in visible black melamine coated panels. Top and fronts of drawers and doors are made in black melamine coated panels and covered in saddle leather (not soft leather); the doors are available also in smoked glass with frame covered in saddle leather. Drawer's frame in black lacquered plywood. Steel handles with saddle leather detail.
Saddle leather. Depending on the category of saddle leather chosen, the size of its different "cuts" can vary significantly.

Scrivania e allungo. Il modello integra in un solo blocco il piano della scrivania con l'allungo dotato di 3 cassetti ed un vano a due ante. Il piano è realizzato con un pannello di particelle di legno impiallacciato in essenza o laccato in colore RAL, oppure in pannello nobilitato rivestito in cuoio o in pelle. Il piano appoggia su una struttura in acciaio verniciata nero che a sua volta è fissata al mobile allungo. Il mobile allungo è realizzato con pannelli di particelle di legno impiallacciato in essenza o laccato in colore RAL. Sotto al piano è fissato un elemento di copertura in acciaio rivestito in cuoio o pelle.
Cuoio e pelle. Le cuciture sono disponibili solamente nella versione in cuoio; nella versione in pelle non sono disponibili. In base alla categoria di cuoio scelta, la misura dei diversi "tagli" dello stesso può variare in maniera sensibile.
Essenze disponibili di serie: tipo ebano. Altre finiture disponibili solo su richiesta.

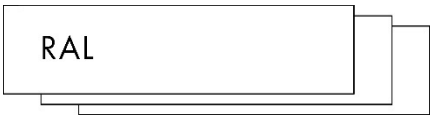

Desk and return cabinet. The model integrates in a single block the desk top with the extension cabinet, equipped with 3 drawers and a unit with two doors. The top is made with a particleboard panel veneered or lacquered in RAL color, or in a melamine coated panel covered in saddle leather or soft leather. The top rests on a black painted steel frame which is itself fixed to the extension unit. The extension unit is made with particleboard panels veneered or lacquered in RAL color. A steel element covered in saddle leather or soft leather is fixed under the top.
Saddle leather and leather. The stitchings are available only in the saddle leather version; in the soft leather version they are not available. Depending on the category of saddle leather chosen, the size of its different "cuts" can vary significantly.
Standard wood veneers available: ebony type. Other finishes available only on request.

Struttura. Lo schienale e il sedile hanno una struttura in tubolare d'acciaio; il molleggio è garantito da cinghie elastiche in polipropilene e lattice naturale fissate alla struttura del sedile. Le due strutture separate di schienale e sedile sono annegate in poliuretano espanso, schiumato a freddo in due opportuni stampi e rivestite con fibre di poliestere. La schiuma poliuretanica soddisfa la classe 1 IM di resistenza al fuoco secondo la legge italiana ed è disponibile anche secondo altri standard internazionali.
Base. Quattro ruote con inserti in pelle.
Rivestimento. Disponibile in tessuto e pelle; non sfoderabile.

Frame. The frame of the backrest and of the seat is in tubular steel; the webbing is secured by elastic polypropylene and natural latex belts fixed to the seat frame. The two frames are embedded in cold formed polyurethane foam made in two different moulds and covered by polyester wadding. The foam complies with the Italian Classe 1IM fire resistant law and is available on request for other international standards.
Base. Four casters with leather insert.

Poltrone. La poltrona ha una struttura per la seduta ed i braccioli separata da quella dello schienale e costituita da un tubolare d'acciaio annegata in uno stampo di poliuretano espanso schiumato a freddo con densità di 60 kg/m³ esente da CFC e ricoperto da ovatta poliestere. La seduta invece ha un pannello di multistrato imbottito con schiuma poliuretanica espansa e fissato alla struttura in acciaio. La schiuma poliuretanica è ignifuga secondo la normativa italiana classe 1IM; su richiesta è disponibile anche secondo altre normative internazionali. Rivestimento disponibile solo in pelle.
Basamento. Basamento a 5 razze in alluminio pressofuso verniciato colore titanio, girevole regolabile in altezza tramite pistone a gas e dotato di meccanismo ergonomico.

Armchairs. The armchair has the frame for the seat and for the arms separated from the backrest frame. Both have a frame in tubular steel embedded in a cold-foamed polyurethane foam made in mould with a density of 60 kg / m³, CFC-free and covered with polyester wadding. The seat, on the other hand, has a multilayer panel padded with polyurethane foam and fixed to the steel frame. The polyurethane foam is fireproof according to Italian law classe 1IM; on request it is also available according to other international standards. Upholstery available only in soft leather.
Base. 5-star swivel base in die-cast aluminum titanium color painted, height adjustable through gas-piston and equipped with an ergonomic mechanism

LOUNGE - Design Umberto Asnago

Struttura. Lo schienale è costituito da multistrato di faggio curvato in stampo. La seduta è in legno massello di pioppo (stagionato "naturalmente" per almeno 3 anni) con elementi in pannelli di multistrato di pioppo; giunzioni a incastro con spine cilindriche. Il molleggio è garantito da cinghie elastiche in polipropilene e lattice naturale. L'imbottitura della struttura è ottenuta con lastre di poliuretano espanso indeformabile con densità differenziate (con densità di 30÷35 kg/m³) ed esente da CFC e ricoperto da ovatta poliestere e vellutino accoppiato.
Base. Piedini in tubolare d'acciaio verniciato in colore titanio.
Rivestimento. Disponibile in tessuto e pelle o in combinazione di entrambe; non sfoderabile.

Frame. Backrest is made with molded bent beech plywood. The seat is in solid poplar heartwood ("naturally" seasoned for at least 3 years) with connecting elements in poplar plywood; dap joints with cylindrical dowels. The webbing is secured by elastic polypropylene and natural latex belts. The framework is upholstered with contoured sheets of resilient, CFC-free polyurethane foam with different densities (of 30÷35 kg/m³) covered by polyester wadding and bonded plush.
Base. Supports in tubular steel epoxy powder painted in titanium color.
Covers. Available in fabric or leather or in a mix of both; not removable covers.

Struttura. In legno massello di pioppo (stagionato “naturalmente” per almeno 3 anni) con elementi in pannelli di particelle di legno; giunzioni a incastro con spine cilindriche. Il molleggio è garantito da cinghie elastiche in polipropilene e lattice naturale. L’imbottitura della struttura è ottenuta con lastre di poliuretano espanso indeformabile con densità differenziate esente da CFC ricoperto da ovatta poliestere e vellutino accoppiato.
Cuscini. Cuscini di seduta in poliuretano espanso a densità differenziate (con densità di 30÷40 kg/m³) ed esente da CFC.
Base. Piedini in massello di pioppo rivestiti in cuoio (non in pelle).
Rivestimento. Disponibile in tessuto e pelle; non sfoderabile.

Frame. In solid poplar heartwood (“naturally” seasoned for at least 3 years) with connecting elements in particleboard panel; dap joints with cylindrical dowels. The webbing is secured by elastic polypropylene and natural latex belts. The framework is upholstered with contoured sheets of resilient, CFC-free polyurethane foam with different densities covered by polyester wadding and bonded plush.
Cushions. The seat cushions are in CFC-free polyurethane foam with different density of 30÷40 kg/m³.
Base. Supports in solid poplar wood covered in saddle leather (not in soft leather).
Covers. Available in fabric or leather; not removable covers.

Piano. Il piano è realizzato da un top in pannello di particelle di legno impiallacciato in essenza e con sottomano e bordo asimmetrico in cuoio o pelle e da un sottotop in pannello nobilitato nero con bordo in cuoio o pelle nel quale sono ospitati due cassetti portapenne in massello.
Sostegni. Il piano è sostenuto da due mobili fissi con dimensioni diverse realizzati in nobilitato nero con fianchi sempre rivestiti in cuoio o in pelle. Il mobile sinistro piu' stretto ha un anta in nobilitato nero rivestita in cuoio o pelle dal lato visitatore e un anta in pannello di particelle di legno impiallacciata in essenza dal lato utilizzatore. Il mobile destro piu' largo ha un anta in nobilitato nero rivestita in cuoio o pelle ed una zona a giorno in pannello multistrato impiallacciato in essenza dal lato visitatore; dal lato utilizzatore invece è dotato di 4 cassetti in pannello di particelle di legno impiallacciati in essenza. I cassetti sono in multistrato impiallacciati sempre in essenza di frassino tinto grafite; le maniglie sono in massello di frassino o di noce canaletto.
Cuoio e pelle. Le cuciture sono disponibili solamente nella versione in cuoio; nella versione in pelle non sono disponibili. In base alla categoria di cuoio scelta, la misura dei diversi "tagli" dello stesso puo' variare in maniera sensibile.
Essenze disponibili di serie: frassino tinto grafite e noce canaletto fiammato. Altre finiture disponibili solo su richiesta.

Top. The top is made from an upper-top in particleboard panel veneered in wood and with desk-pad and asymmetrical edge covered in saddle leather or leather and an under-top in black melamine coated panel with saddle leather or leather edge in which two pencil drawers in solid wood are housed.
Supports. The top is supported by two fixed units with different dimensions made in black melamine coated panels with sides always covered in saddle leather or leather. The narrower left cabinet has a black melamine coated panel door covered in saddle leather or leather on the visitor side and a door in particleboard panel veneered on the user side. The wider right-hand cabinet has a black melamine coated panel door covered in saddle leather or leather and an open unit in veneered plywood on the visitor side; on the user side it is equipped with 4 drawers in particleboard panel veneered. The drawers are in plywood veneered always in graphite-stained ash; the handles are in solid ash wood or solid black walnut wood.
Saddle leather and leather. The stitchings are available only in the saddle leather version; in the soft leather version they are not available. Depending on the category of saddle leather chosen, the size of its different "cuts" can vary significantly.
Standard wood veneers available: graphite stained ash wood or veined black walnut wood. Other finishes available only on request.

Struttura. Lo schienale è costituito da multistrato di faggio curvato in stampo. La seduta ha una struttura in tubolare d'acciaio mentre il molleggio è garantito da cinghie elastiche in polipropilene e lattice naturale. L'imbottitura dello schienale e della seduta è ottenuta con lastre di poliuretano espanso indeformabile con densità differenziate (con densità di 20÷25 kg/m³) ed esente da CFC e ricoperto da ovatta poliestere. La poltrona è disponibile in due varianti: rivestita completamente in pelle oppure con parte interna rivestita in pelle e parte esterna dello schienale in essenza.
Base. La poltrona è disponibile su ruote oppure su scivoli in massello di noce canaletto.
Rivestimento. Disponibile in pelle; non sfoderabile.
Essenze disponibili di serie: noce canaletto fiammato tinto grigio. Altre finiture disponibili solo su richiesta.

Frame. Backrest is made with molded bent beech plywood. The seat has a tubular steel frame, while the webbing is secured by elastic polypropylene and natural latex belts. The framework is upholstered with contoured sheets of resilient, CFC-free polyurethane foam with different densities (of 20÷25 kg/m³) covered by polyester wadding. The armchair is available in two versions: completely covered in soft leather or with the internal part covered in soft leather and the outside of the backrest in wood.
Base. The armchair is available on wheels or on massive black walnut wood slides.
Covers. Available in soft leather; not removable covers.
Standard wood veneers available: veined black walnut wood grey stained. Other finishes available only on request.

PAPIER - Design Matteo Nunziati

Tavolo. Il piano è disponibile in tre versioni: piano in nobilitato rivestito in cuoio (non in pelle), piano in pannello di particelle di legno impiallacciato in essenza oppure piano in marmo. La colonna portante è realizzata da due pannelli di multistrato di faggio curvati in stampo e rivestiti in cuoio che appoggiano su una piastra in acciaio verniciata nero opaco.
Mobile. Struttura in pannello nobilitato con finitura rovere bianco. Top, piedini, fianchi ed ante rivestiti in cuoio.
Sedia. La struttura del sedile e dello schienale è realizzata in tubolare d'acciaio; il molleggio è garantito da cinghie elastiche in polipropilene e lattice naturale fissate alla struttura in acciaio. La struttura è annegata in poliuretano espanso con densità di 55 kg/m³, schiumato a freddo in stampo. La schiuma poliuretanica soddisfa la classe 1 IM di resistenza al fuoco secondo la legge italiana ed è disponibile anche secondo altri standard internazionali. Gambe in acciaio rivestite da lastre di poliuretano espanso. Disponibile rivestita in tessuto o pelle. Non sfoderabile.
Cuoio. In base alla categoria di cuoio scelta, la misura dei diversi "tagli" dello stesso può variare in maniera sensibile.
Essenze disponibili di serie. Tipo rovere naturale, moro o titanio. Altre finiture su richiesta.
Marmi disponibili di serie. Calacatta oro.

Table. The top is available in three versions: top in melamine coated panel covered in saddle leather (not soft leather), particleboard panel veneered or marble. The base column is made of beech plywood panels curved into a mould and covered in saddle leather. It lays on a metal base epoxy powder black painted.
Cabinet. Frame in melamine coated panel with white oak finish. Top, feet, sides and doors covered in saddle leather.
Chair. The frame of the backrest and seat is in tubular steel; the webbing is secured by elastic polypropylene and natural latex belts fixed to the metal frame. The frame is embedded in cold formed polyurethane foam made in mould with density of 55 kg/m³. The foam complies with the Italian Classe 1IM fire resistant law and is available on request for other international standards. Legs in steel covered by sheets of polyurethane foam. Available covered in fabric or soft leather. Not removable covers.
Saddle leather. Depending on the category of saddle leather chosen, the size of its different "cuts" can vary significantly.
Standard wood veneers available. Natural oak type wood, dark brown oak type wood or titanium oak type wood. Other finishes available only on request.
Standard marbles available. Calacatta oro.

PIGRECO - Design Luca Scacchetti

Struttura. La seduta è costituita da due telai fissati fra di loro e realizzati in legno massello di pioppo (stagionato "naturalmente" per almeno 3 anni) con elementi in pannelli di particelle di legno; giunzioni a incastro con spine cilindriche. Il telaio inferiore è rivestito in cuoio e garantisce il molleggio tramite cinghie elastiche in polipropilene e lattice naturale. Sul telaio superiore è fissata una lastra di poliuretano espanso indeformabile con densità di 35 kg/m³ esente da CFC ricoperto una trapunta di ovatta poliestere e tessuto o pelle. Lo schienale ed il bracciolo sono realizzati in pannello nobilitato imbottito con lastre di poliuretano espanso indeformabile con densità di 40 kg/m³ esente da CFC e ricoperto da ovatta poliestere.
Cuscini. Cuscini dello schienale in poliuretano espanso.
Tavolino. Struttura in pannello nobilitato rivestita in cuoio.
Base. Basamento in tubolare d'acciaio cromato.
Rivestimento. Fascia inferiore sempre rivestita in cuoio. Rivestimento disponibile in tessuto e pelle; non sfoderabile.

Frame. The seat consists of two frames fixed to each other and made of solid poplar heartwood ("naturally" seasoned for at least 3 years) with connecting elements in particleboard panel; dap joints with cylindrical dowels. The lower frame is covered in saddle leather and guarantees the webbing thanks to elastic polypropylene and natural latex belts. On the upper frame is fixed a sheet of resilient CFC-free polyurethane foam with density of 35 kg/m³ covered with a quilt of polyester wadding and fabric or leather. The backrest and armrest frame is made of melamine coated panels padded with CFC-free resilient polyurethane foam sheets with a density of 40 kg / m³ and covered with polyester wadding.
Cushions. Back cushions in polyurethane foam.
Low table. Frame in melamine coated panel covered in saddle leather.
Base. Base in chromed tubular steel.
Covers. Lower band always covered in saddle leather. Available in fabric or leather; not removable covers.

Struttura. In legno massello di pioppo (stagionato "naturalmente" per almeno 3 anni) con elementi in pannelli di particelle di legno; giunzioni a incastro con spine cilindriche. Il molleggio è garantito da cinghie elastiche in polipropilene e lattice naturale. L'imbottitura della struttura è ottenuta con lastre di poliuretano espanso indeformabile con densità differenziate esente da CFC ricoperto da ovatta poliestere e vellutino accoppiato.
Cuscini. Cuscini di seduta in poliuretano espanso a densità differenziate ed esente da CFC. Cuscini di schienale in piuma.
Base. Piedini in PVC nero.
Rivestimento. Disponibile in tessuto e pelle; non sfoderabile.

Frame. In solid poplar heartwood ("naturally" seasoned for at least 3 years) with connecting elements in particleboard panel; dap joints with cylindrical dowels. The webbing is secured by elastic polypropylene and natural latex belts. The framework is upholstered with contoured sheets of resilient, CFC-free polyurethane foam with different densities covered by polyester wadding and bonded plush.
Cushions. The seat cushions are in CFC-free polyurethane foam with different density. The back cushions are feather-filled in separate units
Base. Supports in black PVC.

SILHOUETTE - Design Luca Scacchetti

Poltrone. La struttura è in multistrato di faggio curvato in stampo. L'imbottitura interna dello schienale e dei braccioli è realizzata tramite una forma di poliuretano espanso schiumata a freddo in stampo; l'imbottitura della parte esterna dello schienale (se prevista) ed il cuscino del sedile sono in poliuretano espanso esente da CFC. Rivestimento disponibile solo in pelle. La poltrona è disponibile in tre varianti:

- rivestita completamente in pelle
- con parte interna rivestita in pelle e parte esterna dello schienale e dei braccioli in essenza
- con parte interna rivestita in pelle e parte esterna dello schienale e dei braccioli laccata in colore RAL.

Basamento. Basamento a 5 razze in alluminio pressofuso lucido, girevole regolabile in altezza tramite pistone a gas e dotato di meccanismo basculante; oppure base a 4 razze fissa in tubolare d'acciaio cromato

Essenze disponibili di serie: tipo ebano. Altre finiture disponibili solo su richiesta.

Armchairs. The frame is in beech plywood panel curved into a mould. The internal padding of the backrest and armrests is made using a sheet of polyurethane foam cold formed into a mould; the padding of the external part of the backrest (if provided) and the seat cushion are in CFC-free polyurethane foam. Upholstery available only in soft leather. The armchair is available in three versions:

- completely covered in soft leather
- with the internal part covered in soft leather and the outside of the backrest and armrests in wood
- with the internal part covered in soft leather and the outside of the backrest and armrests lacquered in RAL color.

Base. 5-star swivel base in die-cast polished aluminum, height adjustable through gas-piston and equipped with a tilt mechanism; or 4-star fixed base in chromed tubular steel.

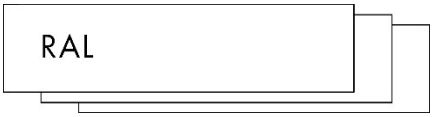

Standard wood veneers available: ebony type. Other finishes available only on request.
